SPECIAL BULLETIN

URGENT – EXPEDITED REQUEST

By **January 10, 2003**, please mail or hand-carry all **completed original Proof of Claim forms with all attachments** received by your department/agency regarding the MCI WorldCom bankruptcy to:

Evelyn Matteucci, Deputy Attorney General
Department of Justice
P.O. Box 944255
1300 I Street, Suite 1101
Sacramento, CA 94244-2550
916-327-7868

The Attorney General's Office (AG) is coordinating all issues involved between the State of California and MCI WorldCom and its subsidiaries, so it is critical that you provide all requested information to that office. **Proof of claim forms relate to amounts owed to the state** by MCI WorldCom and/or its subsidiaries (**not** amounts owed by the state to MCI WorldCom). **Late Proof of Claims will not be paid.**

Please review the form, the attachments and your records, verify or confirm any information on the form and complete the form as much as possible. If your records reflect that nothing is owed to your department/agency by MCI WorldCom or any of its subsidiaries listed on the attachment to the claim form, please provide that information as well.

If you receive Proof of Claim forms after the January 10, 2003 deadline, please return them to the AG's Office immediately. **Do not fax the forms** - originals must be provided. If you have misplaced the originals, please provide any copies you may have, and continue to search for the originals.

If you intend to mail the forms, please ensure that they are mailed in sufficient time to be received by the January 10, 2003 due date. This date was selected to ensure that the AG has sufficient time to review, process and mail these forms to the United States Bankruptcy Court for the Southern District of New York so that they will be received in New York by the court's deadline of January 23, 2003. **Please include your contact information with the forms so we can contact you if more information is needed.**

December 19, 2002

Please share this information immediately with others in your department or agency who may have received these forms, including your management, accounting, fiscal, or legal office staff.

If you have any questions, please contact Evelyn Matteucci at the number above. You may also contact the Department of General Services, Resource Communication Center at 916-657-9903 or at 1-800-807-6755 and ask to speak to a Customer Account Manager.

Thank you for your immediate attention to this request.
